

ILEARN Assessment Information for Families

5 Key Points for Families to Understand About Indiana's New Assessments

“Educator-Created; Student-Centered”

1. What is ILEARN?

ILEARN is Indiana's **new online computer-adaptive assessment** designed to **measure your child's proficiency** of the Indiana Academic Standards in Grades 3–8, Biology and U.S. Government. ILEARN fulfills both state and federal legislative requirements as the accountability assessment for Indiana students.

Subject	Grade(s)
ILEARN English/Language Arts	Grades 3–8
ILEARN Mathematics	Grades 3–8
ILEARN Science	Grades 4 and 6
ILEARN Social Studies	Grade 5
ILEARN Biology End-of-Course Assessment (ECA)	High School*
ILEARN U.S. Government End-of-Course Assessment (ECA)(optional)	High School*

*Taken at the end of the course, regardless of grade level.

2. What is a computer-adaptive assessment and how does it benefit my child?

Computer-adaptive assessments adapt to each student's mastery of the content throughout the assessment. Every time a student answers a question, his or her response helps determine the next question presented. **The difficulty of the test will adjust to each student's skills**, providing a better measure of what each student knows and can do.

- ILEARN is a computer-adaptive assessment. For more information about computer-adaptive assessments, visit: <https://www.doe.in.gov/assessment/assessment-literacy>.

3. How does ILEARN support all students?

The **new online testing system is easy to use** and is more accessible to students who require **features or accommodations** while testing. New tools and resources are available to help students show what they know.

- Built-in glossaries allow students to select unfamiliar words and read their definitions. Glossaries are available in English, Arabic, Burmese, Mandarin, Spanish, and Vietnamese.
- Students are provided with authentic tools, such as spell check, a dictionary, and a thesaurus for use when responding to the writing task.
- The Desmos calculator (provided for Mathematics Grades 6–8) is available for students to practice using free of charge at: [desmos.com](https://www.desmos.com).
- Spanish translations (stacked over the English version) are available for Mathematics, Science, and Social Studies.

4. What resources are available to help prepare my child for ILEARN?

- Indiana's Released Items Repository allows students to interact with released items and try some of the tools and features at: <https://www.doe.in.gov/assessment/ilearn-sample-items-and-scoring>.
- Indiana's ILEARN Portal provides information and resources for understanding the assessment at: <https://ilearn.portal.airast.org/>.
- The ILEARN for Families website answers questions about ILEARN at: <https://www.doe.in.gov/assessment/ilearn-families>.

5. When will I receive score reports about my student's performance on ILEARN?

- Schools can access final scores and score reports on August 15, 2019 in the Online Reporting System. Beginning in 2019–20, reports will be available to schools within 12 days of students testing.
- Reports provide a scale score as an indication of overall student achievement in a grade level, as well as several subscores.
- Parents and guardians may request rescoring of open-ended items through the local school.
